A MESSAGE FROM OUR GENERAL MANAGER

Aloha Members,

Thank you to all the members who have commented on the new changes in our main dining room. The response to the new menu and new look has been fabulous. Our dining room has been increasingly busy since the completion of the renovations and the unveiling of our new dinner menu and menu jackets. We are committed to providing you with the best quality and freshest products available. Some of the highlights of our new menu include: baby romaine and mixed greens, both are grown especially for HYC from Bobby Kanno of Mountain View Farms and are featured in our Caesar and House salads. Two new healthy vegetarian dishes: Eggplant Parmesan with homemade marina sauce & fresh graded parmesan reggiano, and Mushroom & Spinach Polenta with a delightful tomato, cream sauce. Osso Bucco is a very popular new addition and our new tender, lean & flavorful lamb chops are the finest available from Colorado. Scallops & lobster tails round out our new selections but the highlight of the new menu must be the fresh local fish. Revised preparations, utilizing the talents of the HYC chefs, is offered nightly. You will now be able to choose from a variety of fish every night. Most recently in addition to our regular choice of Ahi & Ono, we have featured Atlantic Cod, Chilean Sea Bass, Mahimahi, Kampachi, Wild Pacific Salmon, Onaga & Opakapaka among others. I would like to encourage you to come in to try our new Fresh Fish Special of the Day. For the entire month of September, we will set the market price at the remarkable rate of \$22.95. I invite you to take advantage of this invitation to dine on the freshest fish, at the finest location, with the friendliest service and the best price in all of Hilo. Bon Appétit.

Mahalo & have a great month.
Spencer Oliver
