Hilo Yacht Club and Privacy of Member Information

In order to protect online privacy, the Hilo Yacht Club keeps e-mail addresses, telephone numbers, mail addresses and other information secure. HYC protects the security of personal data by using password-protected areas and restricting access.

The security of our members club statement and roster is protected by Secure Sockets Layer (SSL) software, which encrypts all of your personal information, so that it can travel safely over the Internet.

It is important for you to protect against unauthorized access to your password and to your computer. Be sure to sign off when finished using a shared computer.

If you have questions or concerns about these policies, please contact the HYC General Manager.
